

BioFace-MSD150

Time Attendance T&A Access Control Terminal

BIOFACE-MSD150 is low cost Facial recognition terminal with multimode biometrics technology. Multi identification validation methods by RFID card, Fingerprint and Face capture. The 2.8 inch TFT high-definition color display with elegant feel. The BIOFACE-MSD150 has TCP/IP communication, P2P network real-time communication, realize transport data with WIFI. Contactless Face capture attendance, easy to adjust. High recognition ability for face capture image even wears glasses, the identification time is less than 0.5 second. It is possible to integrate all kind of applications like ERP, HRMS, Payroll, Attendance and SAP with the device.

SPECIFICATIONS :

Color
Black

LCD screen
2.8" High Definition Color Display

Face image capacity
1500 user

Fingerprint capacity
5,000

RFID card capacity
1,000

Record capacity
5,00,000 logs

Camera lens
Dual camera lens (color/infrared)

LED infrared lamp
Dual infrared lamp (concave lens interface)

Fingerprint sensor
High hardness optical fingerprint collection device

Communication method
USB, TCP/IP

Auto Push Technology
Yes

Language
English

Battery backup
Yes

Current voltage
DC 12V ± 5%

Operation humidity
20-80 %

Operation temperature
-10°C — 60°C
